### 18 T, 24 T and 40 T Shear Face Dado Sets:

The Shear Face Dado Sets are General Saw's most uniquely designed Dado Sets, rating highest for ease of cutting and lower position power requirements. The 25 degree Shear Face design produces razor sharp edges and flat bottom grooves in materials every time.

### 24 T, 38 T and 56 T Scriber Toothed Dado Sets:

General Saw's Scriber Tooth Dado Sets produce precision cuts that are perfect for laminated and veneer panels. Our 24 T Scriber Tooth design incorporates a negative hook for chip control in even the most difficult veneer, including red oak. With a 4 wing chipper set, available 3/32" chipper, and shim pack, the 24 T Scriber Tooth offers incredible flexibility.
